# Christopher Schnabel

Full stack engineer with 7 years of experience

Software Engineer | Buffalo, New York | chrisjschnabel@gmail.com | 716-909-1427 | linkedin.com/in/christopher-schnabel-816807146 | github.com/solean

Work Experience

Softrek

Jul 2015 - Current

Software Engineer

- Work on developing ClearView CRM (SofTrek's flagship product), a web application that provides donor management services to non-profit clients (including some of the largest in the country, such as AARP, Dana Farber Cancer Institute, Cystic Fibrosis Foundation, etc.)
- Full stack development with a Java (Spring/Hibernate) backend and a Javascript (Dojo and React) frontend
- Work with 2 SQL databases, a Postgres database that our team maintains for storing frontend user settings, and an Oracle database that stores client data (primarily maintained by a separate database team)
- Primary developer of ClearView Mobile - written in Javascript and built for iOS and Android with Cordova
- Gave talk on new ClearView features at SofTrek's 2017 Users Conference

Education

University at Buffalo

2011 - 2015
